German-Uzbek Textile Partners

We are looking for a professional company or individual specialist to develop and produce a documentary film about the textile industry in Uzbekistan.

The film will be dedicated to a deep exploration of the textile industry in Uzbekistan, with a particular focus on the Gesamtmasche project. This initiative aims to advance the sector by integrating modern technologies and practices, thus highlighting key achievements, challenges, and development prospects within the industry. It will serve not only as an educational resource for a broad audience but also as a tool for promoting domestic producers on an international level.

Format and Style:

The film will be presented in a documentary format, utilizing captivating visuals along with animation to illustrate key data and trends. A modern narrative style is preferred, combining informative content with engaging storytelling elements that attract viewers.

To create an inspiring and informative documentary film that highlights the unique aspects of Uzbekistan's textile industry and stimulates interest in sustainable production and import substitution, while also strengthening the country's reputation on the international stage.

Requirements:

1. Experience in creating documentary films or video content.
2. Understanding of the specifics of the textile industry and its current trends.
3. A creative approach to scriptwriting and visual content creation.
4. Availability of a portfolio showcasing previous work.

Deadlines: Applications are open until July 2025.

Location: Uzbekistan.

If you are interested, please send us your CV and an offer to work with us by 15 July 2025 to this email address: info@guz-partners.org.
