

We are looking for specialists in the field of **textile finishing technologies**. Selected specialists will undergo training under the “**Training of Trainers (ToT)**” program and, upon completion of the program, will receive a certificate confirming their qualification as a trainer.

Trainer Requirements:

1. At least 3–5 years of professional experience in textile dyeing, finishing, or chemical processing.
2. Knowledge of Russian and Uzbek (English is an advantage).
3. Punctuality and responsibility.
4. Willingness to develop professionally and continue learning.
5. Experience in the textile industry, particularly in the dyeing of knitted fabrics.
6. Willingness to collaborate with Uztextileprom after completing the program and conduct training sessions.

What We Offer:

1. Training with international experts in textile finishing technologies (including dyeing technologies).
2. Practical training in Germany.
3. A certificate upon completion of the program, granting the right to teach and work as a trainer in this field.

Location:

The seminars will be held in Tashkent, the Fergana Valley, and Kashkadarya.

Timeline:

The first seminar will be organized in April 2026, with subsequent seminars taking place throughout 2026.

If you are interested, please send your CV and a proposal for cooperation by March 31, 2026 to the following email address:
