

We are looking for an experienced specialist for the position of Local Fashion Design Expert to conduct practical training sessions in the Kashkadarya region. The program is designed to support and empower women entrepreneurs developing their businesses within the textile industry.

Goals and Objectives:

To empower women entrepreneurs in the textile industry by providing them with the expertise to scale their businesses from local production to international fashion markets.

Training Program:

The expert will guide participants through the key stages of creating a commercial product:

- *Brand DNA Development:* Forming a unique concept and style for collections.
- *Trend and Market Analysis:* Demand forecasting and adapting fashion trends to meet customer needs.
- *From Runway to International Showrooms:* Participation in international fashion weeks and collaboration with global showrooms.

Candidate Requirements:

- 3 to 5 years of professional experience in fashion design or commercial collection development.
- Deep understanding of the textile industry and fashion business.
- Proven experience in the textile industry (design, garment construction, material sourcing).
- Experience in conducting Training of Trainers (ToT) or professional seminars.
- Fluency in Uzbek and Russian (English is an advantage).

Location: The seminar will be held in Karshi.

Schedule: The seminar is scheduled for June 4, 2026.

Application Procedure

Interested candidates must submit:

CV;

Business Proposal by May 15, 2026, to: info@guz-partners.org.
