

We are looking for a qualified international expert to conduct training on "Lean Management in Textile Manufacturing " for textile industry specialists in Uzbekistan.

The training to be conducted is on the following topics:

- Introduction to Lean Philosophy and Thinking Principles
- Core principles of Lean: Flow principle and value creation
- Production rhythm and Takt Time optimization
- Key Performance Indicators (KPIs): Takt Time, Cycle Time, and Lead Time
- Analyzing current state, processing time, and idle time
- Lead-time optimization and process efficiency improvement
- Kaizen philosophy and Continuous Improvement Process (KVP)
- Traffic-light signaling systems, KPI dashboards, and floor markings
- Standardization: Developing Standard Operating Procedures (SOPs) and work instruction sheets
- Shopfloor Management (On-site operational management)
- Root cause analysis using the "5 Whys" strategy
- Total Productive Maintenance (TPM) implementation
- PDCA Cycle execution (Plan-Do-Check-Act)
- Quality Management principles in textile production
- Gemba walk practices (On-site process observation and evaluation)
- Final review, Q&A session, and topic consolidation

Place of implementation:

These workshops will take place in Uzbekistan.

Implementation period:

The workshop will be organized on 5-9 October 2026 and the subsequent workshops during one week.

Your Profile

- Higher education in clothing design or related disciplines.
- Proven experience in the textile/apparel manufacturing sector, with a strong focus on production optimization, process control, and efficiency enhancement.
- In-depth knowledge and hands-on experience in Lean Manufacturing principles, Toyota Production System (TPS), flow principles, and core operational KPIs (Takt Time, Cycle Time, Lead Time).
- Expertise in implementing Kaizen (KVP), Continuous Improvement Processes, Standard Operating Procedures (SOP/SWS), and Shopfloor Management practices.
- Experience in conducting training sessions and workshops is a plus.
- Strong communication skills and the ability to teach.
- Availability for travelling to Uzbekistan.

If you are interested, please send us your CV and an offer to work with us by 15 September 2026 to this email address:
