We are looking for a qualified local expert in certification and compliance standards for market entry into the European Union to conduct a training for companies.

The training to be conducted is on the following topics:

- Overview of EU market entry requirements, standards, and certification processes for local enterprises.
- Key European quality control standards, compliance procedures, and required documentation.
- Practical steps for preparing local products for certification and export to European markets.
- Risk management, quality assurance tools, and parameters for EU standards compliance.
- Interactive discussions, case studies, and practical group exercises for company representatives.

Place of implementation: The workshop will take place in Bukhara, Uzbekistan.

Implementation period: November 25–26.

Your profile:

- Higher education in economics, business, sociology, and the textile industry.
- Proven experience in product certification, quality standards, and European market compliance requirements.
- Deep understanding of EU regulatory frameworks, directives, and quality control systems.
- Experience conducting trainings, technical workshops, or masterclasses for local businesses.
- Experience conducting trainings, seminars, or master classes.
- Excellent communication skills and teamwork.

If you are interested, please send us your CV and an offer to work with us by 18 November 2026 to this e-mail address: info@guz-partners.org.
